

Notice for International Students' Entry & Departure from Korea for COVID-19 Prevention (Warning!)

Dear PNU international students who are entering & leaving Korea : Please prepare everything needed for self-quarantine and expenses before entering Korea, considering this COVID-19 condition will continue.

A. Subject Students : PNU International Students

(Undergraduates, Graduates, Exchange/Visiting, Candidates of Masters/Ph.d.)

B. Constraints : Self-constraint on leaving Korea

- Acquire re-entry permit before you leave(from immigration office website)
- Quarantine 14days after entering Korea(All expenses in personal burden)
- Enter Korea with a result paper of COVID-19 test (issued within 48hrs)

C. Notes(for entry & departure from Korea) :

- Students must update their personal information in E-onestop(E-onestop > 내 정보(My information)) before entering Korea(Address, phone number, email for spring semester 2021)
- Enter Korea considering the starting day of spring semester(Mar. 2nd(Tue)) and your quarantine periods (terminates at noon (12:00) after 14days of entry)
- Students must share their expected entry date to their department offices & PNU International(insurance@pusan.ac.kr) in real time
- Students must report their entry to Korea to department office & PNU International (insurance@pusan.ac.kr) as soon as they arrive Korea
- Students must report their health status at school during their quarantine period and the day their quarantine ends.
- Students must individually prepare their accommodations, everything needed for quarantine, transportation and expenses **BEFORE they enter Korea(School dormitory will NOT be provided)**
- Students must consider quarantine conditions when they find their accommodations (The accommodation must have a separate space, bathroom and kitchen, etc.)
 - ※ Gosiwon / Gositel / Guesthouse are **NOT QUALIFIED** for quarantine facilities
 - ※ Accommodations found using "Airbnb" may cause you **disadvantage** in your entry to Korea
 - Students must complete their quarantine before entering school dormitory
 - If a student uses the quarantine facility provided by Busan city, the expense must be individually burdened (KRW 1.5 million)
