Startup Booster is the leading startup competition in the world of Composites

It enables companies to find and assess innovations with a potential impact of their industry, as a complement to the project they may already be involved in.

Launched in 2017 at JEC World, Startup Booster has already fostered the emergence of :

300+ Startups from **30+** Countries
40 Finalists
13 Winners

In 2019, JEC Composites Startup Booster will go on a worldwide tour in two different regions of the world:

America at JEC Forum Chicago on June 19-20, 2019

Asia at JEC Asia in Seoul on November 13-14-15, 2019

The final step of the competition will take place at JEC World in Paris, in France, from 3-5 March 2020.
